INDEX TO VOLUME XIII

Adult education, references to studies, 77.
Alabama, reference to study on character training, 79.
Alphabet, place of, in reading instruction, 283.
Arkansas, references to studies in social education, 79; school building needs, (January) 14.
Attendance, school, as affected by inadequate school buildings, (January) 10, 11.
Atypical children, references to studies of, 77.

Baker, Franklin T., reference to, 295.
Ballou, Frank W., foreword, 168.
Bamberger, Florence E., reference to, 310.
Barnard, Florence, foreword, 168.
Bear, Mata V., reference to, 311.
Bibliographies, administration and supervision of reading, 323; objectives of the reading program, 278; materials of reading instruction, 314; methods of teaching reading, 308; primary reading, 289; reading tests, 319; social-economic education, 79–159.
Boggs, Lucinda P., reference to, 295.
Bowden, Josephine H., reference to, 296.
Bridges, M. M., reference to, 283.
Bruner, Herbert B., reference to, 311.
Buckingham, B. R., foreword, 168.
Buildings, school. *See* School buildings.
Buswell, Guy T., reference to, 295, 298, 299.
Butsch, Russell L. C., reference to, 228, 229, 233.

California, references to social education experiments, 80; school buildings needs, (January) 14.
Camp, Cordelia, reference to, 295.
Capital outlay for school buildings, as compared with reasonable expenditures for building purposes, (January) 23; since 1918 (January) 21.
Character education, references to studies, 77.
Colorado, references to social education experiments, 91; school building needs in 47 counties of, (January) 14.
Commission of Inquiry on Public Service Personnel, quoted, 246.
Committee on Social-Economic Goals, reference to, 74, 76.
Community resources, references to school use of, 77.
Comprehension in reading, methods of improvement in, 299.
Connecticut, references to social education experiments, 94.
Consolidation of schools, provision of buildings for, (January) 13.
Construction of school buildings. *See* School buildings.
Cooper, Ida M., reference to, 322.
Cost of living, changes with reference to teachers' salaries, 222; trends in, 236.
Coxe, Warren W., foreword, 168.
Courtis, S. A., reference to, 318.
Cusack, Alice M., reference to, 284.

Dearborn, Walter F., reference to, 296.
Debt, reduction of, among teachers, 185.
Delaware, references to social education experiments, 95.
Dependents, number of, per teacher, 179.
Dewey, John, reference to, 73.
District of Columbia, references to social education experiments, 95; school building needs, (January) 15.
Dodge, Raymond, reference to, 295.

Economic status of teachers, case reports on, 210; sources of information concerning, 171; suggestions for improving, 247; survey of, 169–256.
Eells, Walter C., reference to, 202, 227–29, 232–34.
Elsbree, Willard S., quoted, 175.
Erdmann, B., reference to, 295.
Expenditures, capital outlay for schools since 1930, (January) 6; of teachers and other occupational groups, 202; teachers' current, 188.
Extracurriculum and recreational programs, references to studies, 77.

Federal government, amount of aid required for school buildings, (January) 30; policies on school building problems, (January) 28.
Feeblemindedness. *See* Atypical children.
Florida, reference to guidance plan, 96.

Gates, Arthur I., reference to, 285, 311.
Georgia, references to social education experiments, 96.
Givens, Willard E., foreword, (January) 4, (March) 4, 274.
Gray, C. T., reference to, 295.
Gray, W. S., reference to, 295, 312–18.
Gress, Walter B., reference to, 312.
Guidance, reference to studies, 77.

Hahn, Julia L., reference to, 284.
Hamilton, Francis, reference to, 296.
Housing of schools. *See* School buildings.
Huey, Edmund B., reference to, 295.

Illinois, references to social education experiments, 97.
Income, comparison of teachers at different levels of, 195; relation to number of dependents, 181; sources and uses of, 183; suggestions for management of, 247; total net, of teachers, 180.
Index, cost-of-living, 223; school building construction (January) 27.
Indiana, references to social education experiments, 104.
Iowa, references to social education experiments, 106.

Jaycox, Emma, reference to, 285.
Johnson, George R., reference to, 311.
Joint Commission on the Emergency in Education, quoted, (March) 10.
Judd, Charles H., reference to, 295.

Kansas, references to social education experiments, 108.
Kelly, Fred J., foreword, 72; reference to, 73.
Kentucky, references to social education experiments, 109; school building needs, (January) 15.
Kibbe, Delia, reference to, 296.

Leary, Bernice E., reference to, 312.
Lesson plans, for reading lessons, 300; illustrations, 301, 302.
Lewerenz, Alfred S., reference to, 310, 311.
Lies, Eugene T., reference to, 75.
Lively, Bertha A., reference to, 311.

McGaughy, J. R., foreword, 168.
McKay, Marion K., reference to, 226.
Magazines, use of, in reading classes, 303.
Manuscript writing, as aid in teaching reading, 283.
Marshall, Leon C., reference to, 73.
Maryland, references to social education experiments, 110; school building needs in 23 counties, (January) 16.
Massachusetts, references to social education experiments, 111.
Materials of reading, selection of textbooks, 309; used by successful teachers of reading, 312.
Mental hygiene. *See* Character education.
Meriam, Junius L., reference to, 285.
Methods, of teaching reading, 279–325.
Michigan, references to social education experiments, 113.
Minnesota, references to social education experiments, 118.
Mississippi, school building needs, (January) 16; water supply and sanitary facilities in schools of, (January) 17.
Missouri, references to social education experiments, 119; school building needs, (January) 17.
Moore, Annie E., reference to, 295.
Moore, Robert C., reference to, 73.
Morgan, Joy Elmer, quoted, (January) 7.

National Automobile Chamber of Commerce, quoted, 232.
National Committee on Reading, reference to, 285, 297.
National Committee on Visiting Teachers, reference to, 76.
National Conference on the Financing of Education, quoted, (January) 36.
National Education Association, Board of Directors quoted, 73; Department of Classroom Teachers quoted, (March) 32, 170, 253; reference to study, 171; Research Division, reference to, 276.
National Industrial Conference Board, quoted, 221, 223, 224, 226, 236, 242.
National Society for the Study of Education, reference to, 319.
Nebraska, reference to social education experiment, 121.
New Jersey, references to social education experiments, 121; school building needs, (January) 18.
New York, references to social education experiments, 125; school building needs, (January) 18.
Newspapers, use of, in reading classes, 303.
Nice, Margaret M., reference to study, 280.
North Carolina, reference to social education experiment, 138; school building needs, (January) 18.

Oberholtzer, E. E., reference to, 318.
O'Brien, John A., reference to, 318.
Ohio, references to social education experiments, 139.
Oklahoma, references to social education experiments, 143; school building needs, (January) 18.
Oral reading. *See* Reading.
Oregon, references to social education experiments, 146.

Painter, William I., reference to, 311.
Patty, Willard W., reference to, 311.
Pennell, Mary E., reference to, 284.
Pennsylvania, references to social education experiments, 147.
Phonics, place in reading, 285.
Portable school buildings. *See* Temporary school buildings.
Pressey, S. L., reference to, 311.
Primary reading, abilities developed in first grade, 281; approach to, 282; common mistakes in teaching, 285; determining readiness for, 280; materials of instruction, 286; place of the alphabet in teaching, 283; place of phonics, 285; preparatory period, 279; references, 289; reversals, 287; standards for promotion, 288; teaching emphasis, 281; tests of readiness, 280; use of manuscript writing in, 283; word-by-word reading, 286; word recognition, 287.
Proffitt, Maris M., reference to, 75.
Promotion, first-grade standards in reading for, 288.
Pupils, numbers improperly housed, (January) 11, 12; numbers sharing school building on part-time basis, (January) 10.

Questionnaires, employed in study of economic status of teachers, described, 171; employed in survey of reading practises, described, 278; forms used in salary survey, (March) 30; form used in school building survey, (January) 33.

Rate of reading, methods for improving, 299.

Reading, administration and supervision of program, 320; analysis of teaching methods, 290; balance between oral and silent, 293; correlating with other subjects, 307; fundamental habits, 295; general objectives in elementary, 278; grades included in investigation of teaching, 276; growth stages, 278; improvement in rate and comprehension, 299; materials of instruction, 309; methods of checking up on outside work, 304; methods of determining readiness for, 280; order of textbook selections, 302; phonics, 285; preprimer period, 279; purpose and scope of investigation of methods, 275; references on administration and supervision of, 323; reference on methods of teaching, 308; reference on objectives, 278; references on primary, 289; references on tests, 319; relative efficiency of instruction in various grades, 307; specific objectives, 279, 290; successful classroom practises, 300; teaching of, 275–325; types of instruction, 291; use of newspapers and magazines, 303; vocabulary development, 296; *see also* Primary reading.
Recreational programs, references to studies, 77; school building needs, (January) 18.
Reed, Mary M., reference to, 288.
Rented school buildings. *See* Temporary school buildings.
Research Division of the National Education Association. *See* National Education Association.
Rhode Island, references to social education experiments, 152.
Roosevelt, Franklin D., quoted, (January) 31.
Ross, Edward A., reference to, 73.
Ruediger, William C., reference to, 296.
Rural schools, consolidation of, (January) 13, 19; salaries of teachers in, (March) 27.

Salaries of school employees, determining appropriate levels, 251; distribution of salaries paid teachers in cities over 30,000, 1934–35, (March) 19; distribution of salaries paid teachers in cities under 30,000, 1934–35, (March) 20; distribution of salaries paid principals in cities over 30,000, 1934–35, (March) 23; distribution of salaries paid principals in cities under 30,000, 1934–35, (March) 24; maximum, in basic salary schedules of the larger cities, 1934–35, (March) 26; median paid administrative and supervisory officers and assistants in 1934–35, (March) 13; median paid certain secretarial and custodial employees, 1934–35, (March) 14; median paid deans, department heads, and viceprincipals, 1934–35, (March) 12; median paid kindergarten, elementary, junior high, and senior high teachers in the larger cities, 1934–35, (March) 14; median paid principals by states in cities over 30,000, 1934–35, (March) 17; median paid principals by states in cities under 30,000, 1934–35, (March) 18; median paid teachers and principals, 1934–35, (March) 12; median paid teachers in cities over 30,000, 1934–35, (March) 15; median paid teachers in cities under 30,000, 1934–35, (March) 16; minimum, in basic salary schedules of the larger cities, 1934–35, (March) 25; paid elementary teachers, 1930–35, (March) 6; paid high-school teachers, 1930–35, (March) 6; paid rural teachers in 32 states, (March) 27; trends of salaries since 1930–31, (March) 6.
School attendance. *See* Attendance, school.
School buildings, age of, (January) 12; capital outlay for, (January) 21–27; children housed in condemned, (January) 10; consolidation, (January) 13, 29; construction since 1918, (January) 21; in principal cities since 1921, (January) 25; needs, general, (January) 8; needs in the several states, (January) 14; number condemned, (January) 8, 9; policies of the federal government relating to, (January) 28; portable and rented, (January) 11; recent trends in construction, (January) 6.
School expenditures. *See* Expenditures, school.
Silent reading. *See* Reading.
Smith, Nila B., reference to, 280.
Social-economic education, classification of references to studies, 76, 77; descriptive bibliography, 79–159; implications of goals, 73; references to, 77.
Social studies curriculums, references to studies, 77.
South Carolina, references to social education experiments, 154; school building needs, (January) 18.
South Dakota, reference to social education experiment, 154.
Starch, Daniel, reference to, 318.
Student self-government, references to studies, 77.
Surveys, of economic status of teachers, 171; of school building needs, (January) 5; of teachers' salaries, (March) 5.

Tax Policy League, quoted, (January) 23.
Teachers, assets of, in relation to length of service, 207; basic facts concerning group of teachers cooperating in salary study, 176; case reports of economic status, 210; changes in cost of living with reference to salaries, 222; comparison of income of, with other occupational groups, 243; comparison of expenditures men and women, 191; comparison of, in ten cities, 200; comparison of, with respect to dependents, 198; economic position of, 169–256; financial assets and liabilities, 206; incomes, 180; length of service, 182; living conditions, 178; number of dependents, 179; recent trends in purchasing power of salaries, 240; relation between income and dependents, 181; salary survey, (March) 5–30; sources and uses of incomes, 183; types of school position, 181.
Temporary school buildings, number of pupils housed in, (January) 11.
Tennessee, school building needs, (January) 18; typical plans for consolidation of schools in, (January) 19.
Tests, intelligence tests for preschool children, 280; of reading achievement, 315; of reading readiness, 280.
Texas, references to social education experiments, 154; school building needs, (January) 19.
Textbooks, reading, defects reported, 313; selection of, 309.
Thorndike, Edward L., reference to, 296, 311, 312.
Time allotments, for reading instruction, 320.
Tinker, Miles A., reference to, 296.

United States Bureau of Labor Statistics, reference to, 171, 172, 223, 224, 226–34, 236, 239.
United States Office of Education, reference to, 171.
Utah, references to social education experiments, 155.

Virginia, references to social education experiments, 156.
Vocabulary, development of, in reading, 296; difficulty a factor in selecting children's books, 311.
Vocational guidance. *See* Guidance.
Vogel, Mabel, reference to, 285, 312.

Warne, Calston E., reference to, 226.
Washburne, Carleton W., reference to, 285, 312, 317.
Washington, reference to social education experiments, 157.
